# Safety data sheet

according to 1907/2006/EC, Article 31

Page 2/8 Printing date 06.01.2023 Revision: 06.01.2023 Version number 9 (replaces version 8)

# Trade name: Leather Cleaner

## · Dangerous components: Void

# • Regulation (EC) No 648/2004 on detergents / Labelling for contents anionic surfactants, amphoteric surfactants perfumes, Sodium Pyrithione, LIMONENE, Benzisothiazolinone • Additional information: For the wording of the listed hazard phrases refer to section 16. Ut SECTION 4: First aid measures • 4.1 Description of first aid measures • After inhalation: Supply fresh air; consult doctor in case of complaints.

- After skin contact: Generally the product does not irritate the skin.
- · After eye contact:
- Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
- · After swallowing: If symptoms persist consult doctor.
- **4.2 Most important symptoms and effects, both acute and delayed** No further relevant information available.
- **4.3 Indication of any immediate medical attention and special treatment needed** No further relevant information available.

### **nofak<del>ult.c</del>**

# **SECTION 5: Firefighting measures**

- · 5.1 Extinguishing media
- Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions.
- · For safety reasons unsuitable extinguishing agents: Water with full jet
- · 5.2 Special hazards arising from the substance or mixture No further relevant information available. fakult.ch
- 5.3 Advice for firefighters
- · Protective equipment: No special measures required.
- Additional information Cool endangered receptacles with water spray.

# SECTION 6: Accidental release measures

- · 6.1 Personal precautions, protective equipment and emergency procedures Not required.
- 6.2 Environmental precautions: Do not allow to enter sewers/ surface or ground water.
- 6.3 Methods and material for containment and cleaning up:

Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust). Dispose contaminated material as waste according to item 13.

- 6.4 Reference to other sections
- See Section 7 for information on safe handling.
- See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

# SECTION 7: Handling and storage ch

 $\cdot$  7.1 Precautions for safe handling No special precautions are necessary if used correctly.
